Job Title: Youth Education Coordinator with the Middle Fork Willamette Watershed Council

Job Description: "Coordinate with local educators to create, lead, and facilitate hands-on education activities that focus on watershed health and natural resources."

Ways to Volunteer, Intern, Learn More, Etc: "Follow organizations and agencies on social media platforms. Reach out to professionals in the field and ask them if they have any opportunities to meet and connect."

Advice From the Professional: "Trust your own strengths and skills. There is a balance between learning from those around you and not second guessing who you are and what you bring to the table because you are "new" or just starting out." Also, "Find someone who shares your passion for not just the work but HOW you approach your work and ask them to be a mentor."

Average Salary: \$45,000-\$60,000
